

What can we do for you?

Flexibility and versatility are the hallmarks of our service

So no matter whether you are planning a private business meeting for six, a memorable wedding for 350, or a spectacular trade show for 600, our Functions Team can help you arrange the ideal environment to host your occasion.

- 7 column-free conference room options
- Professional audio-visual systems and presentation equipment
- Themed room design
- Staging and lighting
- Ample complimentary car parking
- Exceptional function menus and package deals
- MCs, DJs, presenters, guest speakers

For business or pleasure

The purpose-built venue comprises seven state-of-the-art conference rooms over one floor, providing you with a myriad of first-class options to suit any style of event. And while the facilities we have at your disposal are designed to impress, it is our superior level of service and hospitality that sets us apart.

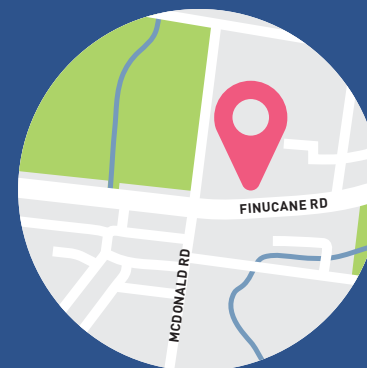

Experience the difference. Talk to us about making your next special occasion, extra special.
