CAREER OBJECTIVE

My passion for the art department always see's me going above and beyond with an exorbitant work ethic, itching to get jobs done properly and efficiently, getting the perfect look while keeping a super calm and positive attitude, boosting the moral and mood of everyone on set. I have been told I am great to work with as I have been absorbing all the tips I can in this industry ever since I started 3 years ago. And of course, I am always ready and excited to learn more.
