### PROFILE SUMMARY

I'm a results-driven Payroll Accountant with a flair for navigating the fast-paced world of the Film & Television industry. Over the course of several productions with NBCUniversal and Matchbox Productions, and a few features, I've honed my skills in crew payroll (with a particular focus on the offshore agreement), while mastering the art of thriving under deadlines and adapting to **wildly** different management styles—because let's face it, no two productions are ever the same.

From cast & crew to extras, I specialize in payroll processing, journal postings, and navigating systems like TPH's Kiosk with ease (and maybe a little love for their paymasters over there too). I'm reliable, adaptable, and always eager to learn.
